This first icon represents is an obscure anime character. This character symbolizes a sad ninja frog who has beautiful sad crying eyes. I added highlights on the left portion of his head to show the source of light. The midtones & shadows towards the right. It's currently 60% complete & I would give this a "B" grade for now.

The second icon represents an online map search marker. This symbol shows a backwards tear drop with 3D X marker. I added highlights on the right side with midtones & shadows to the left. It's currently 60% complete & I would give this a "B" grade for now.

Finally, the third icon represents a thinking person pondering for ideas. This symbol shows a big letter "I" to represent ideas & a sitting person. The highlights shown on the left, with midtones, & shadows to the right. It's currently 60% complete & I would give this a "B" grade for now.
